

LOCK OF THE WEEK

...

OFFICIAL LEAGUE CONSTITUTION

*Ratified Following the 2026 LOTW Summer Conference, Sponsored by Texas Roadhouse
Effective Season 3 and All Future Seasons*

To the Members of Lock of the Week — following the conclusion of the 2026 LOTW Summer Conference, generously sponsored by Texas Roadhouse, the following rules and amendments have been formally ratified by the membership and shall govern all future seasons of competition. All members are expected to familiarize themselves with the contents of this document. Ignorance of the rules shall not be accepted as a defense.

ARTICLE I

Season Schedule

The LOTW season shall commence on Week 0 of the College Football season and conclude on the final game of the NCAA Men's Basketball Tournament (National Championship). Any period outside of these dates shall be considered the official offseason, during which no picks are required or recorded. The season schedule is non-negotiable and shall not be altered without a formal vote of the membership.

ARTICLE II

Tiebreaker Rules — Records

In matters of record comparison, a record that includes a tied bet shall be considered superior to a record without one, provided wins are equal. For example, a final record of 17-1-1 shall outrank a record of 17-2. Should two or more members finish the season with records that cannot be separated by this rule, a Sudden Death tiebreaker shall be invoked per Article VI.

ARTICLE III

The Hammer

Each member shall be granted three (3) Hammer bets per season. A Hammer bet carries elevated stakes in both directions: when won, it shall count as two (2) wins toward a member's final record; when lost, it shall count as two (2) losses. This symmetry is intentional — the Hammer is a high-risk, high-reward instrument and shall be deployed with conviction. Members must clearly designate a bet as a Hammer through two (2) required channels at the time of submission: (1) in the Bye Bye CJ Gunn Gang group chat, and (2) in the official LOTW Bet Tracker. Designation through only one channel shall not constitute a valid Hammer submission. Hammers may not be applied retroactively under any circumstances. Unused Hammers do not carry over to future seasons.

ARTICLE IV**The Odds Lead Bonus**

The member who records a winning bet at the highest odds during the regular season shall be awarded the Odds Lead. All bets submitted must meet the minimum odds requirement of -130 or better, incentivizing members to seek out longer odds throughout the season. At the conclusion of the season, the Odds Lead holder shall receive three (3) wins added to their final record. The Odds Lead shall be tracked live and displayed in real time on the official LOTW Bet Tracker.

ARTICLE V**The LOTW Bet Tracker**

Effective this season, all picks shall be submitted through the official LOTW Bet Tracker in addition to the existing group text notification in the Bye Bye CJ Gunn Gang group chat. The Bet Tracker shall serve as the official and binding record of all picks, results, standings, and historical data. Submission of a pick via the Bye Bye CJ Gunn Gang group chat alone shall not constitute an official entry — all picks must be logged in the Bet Tracker to count toward a member's record. The Dictator reserves the right to make administrative edits to the Bet Tracker as necessary. A Hammer bet submission feature is currently in development and will be available prior to the start of Season 3.

ARTICLE VI**Special Events**

Certain marquee events shall carry an elevated two-bet requirement for the week in which they occur. During a Special Event week, each member must submit two (2) picks: one pick must be placed on the marquee event itself, and one pick may be placed on any game or event of the member's choosing. Both picks count toward the member's record in the standard fashion. The designated Special Events are as follows: (1) Super Bowl; (2) NCAA Football National Championship; (3) World Series — one (1) pick required across the entirety of the series, with the standard weekly pick running concurrently; (4) The Masters; (5) NCAA Men's Basketball Tournament — two (2) picks required during Championship Week (Final Four and National Championship). Rules governing the remainder of the tournament, including earlier rounds, shall be determined once the new tournament format is fully understood and shall be communicated to all members in advance. Failure to submit either required pick during a Special Event week shall result in an auto-loss for each missed submission.

ARTICLE VII**Missed Picks**

Failure to submit a pick in any given week shall be recorded as an automatic loss on the member's record. There are no exceptions. The weekly deadline shall be enforced by the Dictator at the time of week advancement in the Bet Tracker. Members are solely responsible for ensuring their picks are submitted on time.

ARTICLE VIII**Sudden Death Tiebreaker**

In the event that two or more members finish the season with identical records that cannot be separated under Article II, a Sudden Death tiebreaker shall be held. The member who finished outside the tie — or, in the event all members are tied, the member determined by mutual agreement — shall select a single game upon which the tied members shall each place one bet. The tied members shall bet on opposing sides where possible. The member whose bet wins shall be declared the season champion. If both bets result in the same outcome, the process shall repeat until a winner is determined. The Sudden Death game selection is final and cannot be disputed.

ARTICLE IX**The Championship Trophy**

The LOTW shall commission an official perpetual trophy to be purchased prior to the start of Season 3. The Dictator shall present trophy options to the membership for consideration; submissions from all members are welcome. The cost of the trophy shall be divided equally among all three members. Each season, a new engraved plate bearing the champion's name and season shall be added to the trophy; the cost of said plate shall likewise be divided equally among all three members. The trophy shall remain in the possession of the reigning champion for the duration of the following season, at which point it shall be passed to the new champion. In addition to the trophy, the season champion shall be treated to a steak dinner by the remaining members of the league at a time and location to be mutually agreed upon. Both the trophy and the steak dinner are hereby formally ratified as the official and binding prizes of the LOTW Championship.

ARTICLE X**The Dictator**

The Dictator shall serve as the official Commissioner of the league and shall have final authority on all matters of competition, scheduling, and interpretation of this Constitution. So long as the membership remains in good standing and conducts itself with the appropriate level of respect and sportsmanship, the Dictator shall govern as a democracy — welcoming input, entertaining submissions, and ruling with the best interests of the league at heart. Should this goodwill be tested, however, the Dictator reserves the right to rule with an iron fist, and all decisions shall become unilateral, immediate, and final. The membership is advised to choose its battles wisely. The current reigning Dictator is Joey, two-time LOTW Champion, whose word is and has always been law.
